

FREE Healthy Homes for Community Health Workers Course

Sponsored by Ohio Department of Health Asthma and Healthy Homes Program

Learn how to provide one-on-one and large group education on healthy homes, provide general advice about specific healthy homes problems, and recommend healthy homes approaches to be taken by families, landlords and other community members.

- Offering 5 Regional Courses!
- Course is one-day training with **6.0 hours of CNE credit** for nurses and certified CHWs
- Anyone who works as a health advocate in their community can take this course.
- As a state agency, ODH is unable to provide food or beverages. Lunch must be on your own.
