

**APPROVED COMMUNITY HEALTH WORKER TRAINING PROGRAMS**

**September 26, 2018**

The Board of Nursing regulates community health worker training programs in Ohio that prepare students for certification as a community health worker. The Board accomplishes this regulation by assuring that new and existing programs meet and maintain the requirements set forth in Chapter 4723-26, Ohio Administrative Code, as evidenced by the Board’s granting of its approval. This is a list of community health worker training programs approved by the Board.
