

Continuing Education (CE) For Renewal – APRNs¹

Section 4723.24, Ohio Revised Code (ORC)

Chapter 4723-14, Ohio Administrative Code (OAC)

Chapter 4723-8, OAC

This document provides FAQs regarding CE requirements for renewal in 2019. HB 216, effective April 6, 2017, established licensure for APRNs and imposed CE requirements for APRN license renewal.

Definitions

CE is defined as a learning activity that builds upon a prelicensure or precertification education program and enables a licensee or certificate holder to acquire or improve knowledge or skills that promote professional or technical development to enhance the licensee's or certificate holder's contribution to quality health care and pursuit of health care career goals. Rule 4723-14-01(G), OAC.

Category A is CE directly related to the Ohio Nurse Practice Act and the administrative rules of the Ohio Board of Nursing. To qualify as Category A, the CE must be approved by an Ohio Board of Nursing (OBN) approver, or offered by an OBN approved provider unit headquartered in the state of Ohio. Rule 4723-14-01(C), OAC

Q: In 2019, what are the CE requirements to renew as an APRN?

A: For the first period of renewal immediately following the initial issuance of the advanced practice registered nurse license, a licensee is not required to complete any contact hours of CE (Rule 4723-8-10(B)(3), OAC). CRNAs, CNPs, CNMs, and CNSs must meet the requirements to maintain their national certification, with the exception of CNSs who were originally issued a COA on or before December 31, 2000 and are not nationally certified,

Q: What are the CE requirements to renew as an APRN in 2021?

A: CE contact hours must be obtained between November 1, 2019 and October 31, 2021 in order to renew your APRN license by October 31, 2021. Starting November 1, 2019, APRNs must complete 24 hours of CE for each APRN license. For an APRN-CNP, APRN-CNS, or APRN-CNM, at least 12 of those hours must include 12 hours of CE in advanced pharmacology (Section 4723.24 (C), ORC). The 24 hours of CE required to renew each APRN license are in addition to the 24 hours of CE required to renew the RN license.

Q: Will the CE I obtain to maintain my APRN national certification count as the required CE hours for RN licensure?

A: Yes. The contact hours of CE you obtain for your APRN national certification may be used as the required hours for your APRN license or RN license, if the hours meet the CE requirements specified in Chapter 4723-14, OAC (Section 4723.24 (C), ORC). The Board will accept contact hours that are consistent with the CE credit awarded by the national certifying organization.

¹ Information on CE requirements for RNs, LPNs, OCDTs, Medication Aides, and Community Health Workers renewal are posted on the Board website at www.nursing.ohio.gov.

General CE Questions/Requirements

Q: What activities/events meet the Board requirements for RN CE?

A: The following summarizes the activities/events that meet the Board requirements for CE. See Rule 4723-14-05(A), OAC.

- A CE activity approved by an OBN approver or provided by an approved provider unit (see list in the response below);
- A CE activity approved by a board or agency regulating the licensee or certificate holder in another jurisdiction;
- A CE activity approved or provided by a nationally recognized accreditation system of CE, for example, the American Nurses Credentialing Center (ANCC), the Accreditation Council for Continuing Medical Education (ACCME), the International Association for Continuing Education and Training (IACET)), or a national certifying organization that meets the requirements in Section 4723.46(A), ORC;
- Academic credit for successful completion of a course taken through an accredited educational institution, for example, a college course. The conversion from academic credit to CE is as follows:
 - 1 credit hour in a quarter system = 10 contact hours of CE
 - 1 credit hour in a trimester system = 12 contact hours of CE
 - 1 credit hour in a semester system = 15 contact hours of CE
- An independent study defined as a self-paced learning activity for which contact hours may be awarded that includes both a mechanism for evaluation of learning and feedback to the learner;
- Inter-professional CE that is a planned, organized learning experience designed for a target audience made up of members of two or more different professions;
- A CE activity approved by a board or an agency that regulates a health care profession or related discipline in Ohio or another jurisdiction, such as the State of Ohio Medical Board, State of Ohio Board of Pharmacy, State Board of Psychology, and the Counselor, Social Worker and Marriage and Family Therapist Board.

Q: I understand I can apply hours that I worked as a volunteer towards CE for RN and APRN renewal, is that correct?

A: An RN or APRN who serves as a volunteer for indigent and uninsured persons, without compensation, may use up to 8 hours of the volunteer service towards their CE requirements. One hour of CE may be awarded for each 60 minutes documented as spent providing uncompensated health care services as a volunteer. Documentation must include a signed statement from a person at the health care facility or location where the health care services were performed indicating the date and time the health care services were performed, that the recipient was indigent and uninsured and that the licensee provided services as a volunteer.

Q: What activities/events do not meet the Board requirements for RN CE?

A: The following summarizes the activities/events that do not meet the Board requirements for CE. (Rule 4723-14-05(B), OAC).

- Repetition of any educational activity with identical content and course outcomes within a single reporting period;

- Self-directed learning such as reading texts or journal articles that have not been approved as an independent study or awarded contact hours by an accredited or approved provider or provider unit;
- Participation in clinical practice or research that is not part of a CE activity;
- A personal development activity;
- Professional meetings or conventions except for those portions designated as a CE activity;
- Community service or volunteer practice;
- Board-ordered CE;
- Membership in a professional organization.

Q: What is an OBN Approver?

A: An OBN approver is an entity or organization headquartered in Ohio authorized by the Board to approve CE activities offered by a provider or to approve a Provider Unit. OBN Approvers are:

- Licensed Practical Nurse Association of Ohio (OBN-002-92)
- Northwest State Community College, Division of Nursing (OBN-008-92)
- Ohio Department of Developmental Disabilities (OBN-010-93)
- Ohio Department of Mental Health and Addiction Services (OBN-003-92)
- Ohio League for Nursing (OBN-006-92)
- Ohio Nurses Association (OBN-001-91)
- Omnicare Great Lakes Region, Division of Education (OBN-009-93)
- UC Health (OBN-007-92)
- University of Cincinnati, College of Nursing (OBN-011-93)
- UVMC – Education and Development (OBN-005-92)

An acceptable CE certificate from an OBN approver that documents your CE event must include a statement with the OBN approver's name and numbers listed.

Q: May I obtain the contact hours of CE through independent study by mail or on the Internet?

A: Yes. There is no limit to the number of contact hours obtained through independent studies. Independent study may be taken through mail order courses or the Internet.

Q: Must I submit documentation of my CE hours to the Board when I renew my license?

A: You are not required to submit documentation of your CE hours when you renew your license. When you renew, you must attest the renewal application that you met or will meet the CE requirement by the end of the renewal period.

Q: What is a “waiver”?

A: A waiver is a one-time opportunity to opt out of the CE requirements for one renewal period for RNs, LPNs, OCDTs and CHWs. A waiver may only be used one time, and once you request it on the renewal application, the request cannot be withdrawn.

The waiver does not apply to the requirement that an APRN either maintain national certification or the CE requirement for CNSs without national certification who were licensed prior to December 31, 2000.

The waiver does not apply to the requirement that CTP holders complete an additional 6 or 12 hours of CE.

Q: How will the Board know that I met the CE requirement?

A: The Board may conduct a random audit to determine compliance with CE requirements. If you are chosen for an audit, the Board will notify you. The waiver, as explained above, cannot be used after you receive notification of an audit.

Q: If audited, what documents must I submit to the Board to show that I have met the CE requirements?

A: Rule 4723-14-06(A), OAC, specifies the proof needed. In summary, an acceptable CE document must contain your name; title of the program; date of program completion; number of contact hours; the OBN Approver name and number, or name of the provider and the name of the authorized approver or the name of the approval body. For academic credit, a school transcript or grade report must include your name, the name of the school, and the dates attended and credit hours awarded. The transcript may be unofficial.

Q: How long must I keep my CE records?

A: You are required to maintain CE documentation (see Q8 response) for six years. You are responsible for keeping track of your CE records, so you can submit the documents, if required.

Questions?

If you have questions concerning licensure, email the Board at LicensureAPRN@nursing.ohio.gov

If you have questions concerning practice, email the Board at PracticeAPRN@nursing.ohio.gov
