

Ohio Board of Nursing (OBN) Approvers

An OBN Approver is an organization that has been authorized by the Board to approve continuing education activities offered by a provider or to approve a provider unit. A provider of continuing education may work with any of the OBN Approvers on this list to be able to offer continuing education.

Category “A” means the portion of continuing education that meets the one-hour requirement directly related to the law and rules of the Board. Category “A” continuing education must be approved by an OBN Approver or offered by an OBN approved provider unit. If offered by an OBN provider unit, the unit must be headquartered in the state of Ohio.
