

Approved Medication Aide Training Programs

September 26, 2018

The Board of Nursing regulates medication aide training programs in Ohio that prepare students for certification as a medication aide. The Board accomplishes this regulation by assuring that new and existing programs meet and maintain the requirements set forth in Chapter 4723-27, Ohio Administrative Code, as evidenced by the Board’s granting of its approval. This is a list of medication aide training programs approved by the Board.
