Section 4723.24, Ohio Revised Code (ORC)

Chapter 4723-14, Ohio Administrative Code (OAC)

Chapter 4723-8, OAC

This document provides FAQs regarding CE requirements for renewal in 2019. HB 216, effective April 6, 2017, established licensure for APRNs and CE requirements for APRN license renewal.

Definitions

CE is defined as a learning activity that builds upon a prelicensure or precertification education program and enables a licensee or certificate holder to acquire or improve knowledge or skills that promote professional or technical development to enhance the licensee's or certificate holder's contribution to quality health care and pursuit of health care career goals. Rule 4723-14-01(J), OAC.

Category A is CE directly related to the Ohio Nurse Practice Act and the administrative rules of the Ohio Board of Nursing. To qualify as Category A, the CE must be approved by an Ohio Board of Nursing (OBN) approver or offered by an OBN approved provider unit headquartered in the state of Ohio. Rule 4723-14-01(E), OAC.

General CE Questions/Requirements

Q: For the 2019 renewal period, what are the CE requirements to renew an Advanced Practice Registered Nurse (APRN) license?

A: For the first period of renewal immediately following the initial issuance of the APRN license, the APRN is not required to complete any contact hours of CE (Rule 4723-8-10(B)(3), OAC). APRN-CRNAs, APRN-CNPs, APRN-CNMs, and APRN-CNSs must meet the requirements to maintain their national certification, with the exception of CNSs who were originally issued a COA on or before December 31, 2000 and are not nationally certified.

Q: Are CNSs who were originally issued a COA on or before December 31, 2000, and who are not nationally certified, required to complete their additional 12 hours of CE in order to renew in 2019?

A: No. The 12 additional CE hours (Rule 4723-8-10(E), OAC) are not required in order to renew in 2019. The 12 additional CE hours (Rule 4723-8-10(E), OAC) will be required in order to renew in 2021.

Q: What are the CE requirements to renew as an APRN in 2021?

A: CE contact hours must be completed on or between November 1, 2019 and October 31, 2021 to renew the APRN license by October 31, 2021. Beginning on November 1, 2019, APRNs must complete 24 hours of CE for each APRN license held. For an APRN-CNP, APRN-CNS, or APRN-CNM, at least 12 of the 24 contact hours must include CE in advanced pharmacology (Section 4723.24 (C), ORC). The 24 hours of CE required to renew each APRN license are in addition to the 24 hours of CE required to renew the RN license.

¹ Information on CE requirements for RNs, LPNs, OCDTs, Medication Aides, and Community Health Workers renewal are posted on the Board website at www.nursing.ohio.gov.

Q: Will the CE completed to maintain APRN national certification count as the required CE hours for RN licensure?

A: Yes. The contact hours of CE completed for APRN national certification may be used as the required hours for RN licensure if the hours meet the CE requirements specified in Chapter 4723-14, OAC (Section 4723.24 (C), ORC). The Board will accept contact hours that are consistent with the CE credit awarded by the national certifying organization.

Q: What activities/events meet Board requirements for nursing CE?

A: The following summarizes the activities/events that meet the Board requirements for CE. See Rule 4723-14-05(A), OAC.
