Call to Order

Sherri Sievers, Chair, called the meeting to order at 10:00 a.m. Due to the COVID-19 declared emergency, the meeting was held by audio teleconference in accordance with the Open Meetings Act modifications as announced by the Ohio Attorney General.

Review and Approval September 2019 Meeting Minutes

Richard Bakker moved to approve the minutes as written; Barbara Douglas seconded. The motion passed unanimously.

Review New Approved FDA Drugs and Exclusionary Formulary

After reviewing new drugs approved by the FDA from August 29, 2019, through February 18, 2020 Barbara Douglas moved to not add any of the drugs to the Exclusionary Formulary; Eric Kramer seconded. The motion passed unanimously.

Exclusionary Formulary: Revised Rule 4723-9-10, OAC, effective 2/1/2020

L. Emrich stated that effective February 1, 2020, the Exclusionary Formulary is in Rule 4723-9-10, OAC.

Revised APRN Prescribing Flow Chart

The APRN Prescribing Flow Chart was updated to reflect the addition of a definition of "terminal condition" in the rules that mirrors the Medical Board's definition instead of referencing the definition in statute.

2020 Five Year Rule Review: OAC, Chapters 4723-8, 4723-9, and 4723-23

The proposed revisions were presented for discussion as follows:

- **Chapters 4723-8, OAC.** L. Emrich discussed that the Board is considering requiring one of the twenty-four contact hours of continuing education be directly related to care of victims of sexual assault. If the CRNA bill, HB 224, is enacted, rule changes will be made. The Board is working on implementing SB 7 which authorizes temporary licenses for military members and their spouses who are on active duty in Ohio and includes APRNs.

- **Chapter 4723-9, OAC.** Board staff is recommending additional changes to the “terminal condition” definition and including detoxification language to mirror that of the Medical Board.
- **Chapter 4723, OAC.** This Chapter contains the dialysis technician rules and will be reviewed with the Advisory Group on Dialysis.

The CPG members provided no additional comments about the proposed revisions.

Legislative Report/Sunset Review Committee Testimony

Tom Dilling stated the Board was asked by the Sunset Committee to testify regarding continuation of the CPG and Advisory Committee on Advanced Practice Registered Nursing. The Sunset Committee has not notified the Board regarding continuation of the CPG, and it is likely that at least one more CPG meeting will be held in 2020, as required in statute.

Future Meetings: Meetings for 2020 are scheduled for May 19 and September 15, 2020.

Adjournment: The meeting adjourned at 10:20 a.m.
