### MEMORANDUM

TO: Board Members  
FROM: Deb Knueve, Chair, Dialysis Advisory Group  
Lisa Emrich, Program Manager  
DATE: December 27, 2021  
RE: Advisory Group on Dialysis

---

It is recommended that the Board re-post the Advisory Group Application to seek additional applicants for the Board's Advisory Group on Dialysis. At the November 2021 meeting, there were insufficient applications received to fill all open positions. A Board Committee would also need to convene during the March 2022 Board meeting to review the additional applications and recommend appointments.

In addition to posting information on the Board's website, information about the Advisory Group vacancies will be disseminated to interested parties.

The next meeting of the Advisory Group on Dialysis has been rescheduled to April 5, 2022.
