

Appointments to the Advisory Group on Rules

Under Section 4723.02, Ohio Revised Code, the Ohio Board of Nursing board may establish advisory groups to serve in consultation with the board or the executive director. Each advisory group shall be given a specific charge in writing and shall report to the board.

The Board will appoint two public members to the newly formed Advisory Group on Rules during the July 2022 Board meeting. If you are interested in serving as a member, please complete the application posted on the website and return it no later than Monday, June 27, 2022. Instructions for submitting it to the Board are included on the application.

The Advisory Group on Rules will review and make recommendations to the Board regarding the proposed amendment, rescission, or adoption of rules in Chapter 4723, Ohio Administrative Code, subject to the five-year review process required by state law.

Advisory Groups generally meet several times a year. It is anticipated that the first meeting will be convened in July or August 2022, and at that meeting the Advisory Group will schedule meetings for 2022-23. All meetings will be held at the Board office, 17 S. High Street, Columbus, Ohio 43215.

Members of Advisory Groups are not compensated for their time, but receive actual and necessary expenses incurred in the performance of their official duties. Section 4723.02, ORC. Please refer to the Board Policy, B-09, "Advisory Groups, Board Ad Hoc Committees, and Standing Committees," posted on the website for additional information about Advisory Groups.

Charge/purpose: To review and make recommendations to the Board regarding proposed amendment, rescission, or adoption of rules in Chapter 4723, OAC, subject to the five-year review process required by state law.

Members & Terms of Appointment: Three Board members, one of whom will serve as chairperson, and two non-Board members. Because this is a new Advisory Group, initial terms will be staggered so one member will be appointed for a 1-year term and the other for a 2-year term.
